INDIVIDUALITY OF ONE'S
LIFE STYLE IS A FREEDOM
BEING FOUGHT FOR TODAY.
INDIVIDUALITY IS
IMPORTANT, EVEN
NECESSARY. MORE
IMPORTANT IS THE
REALIZATION THAT EACH LIFE
IS AKIN TO EVERY OTHER
HUMAN LIFE. ALL ARE ONE,
UNITED UNIVERSALLY BY THE
POWER GIVING EACH
INDIVIDUAL THAT LIFE — TO
SHARE.

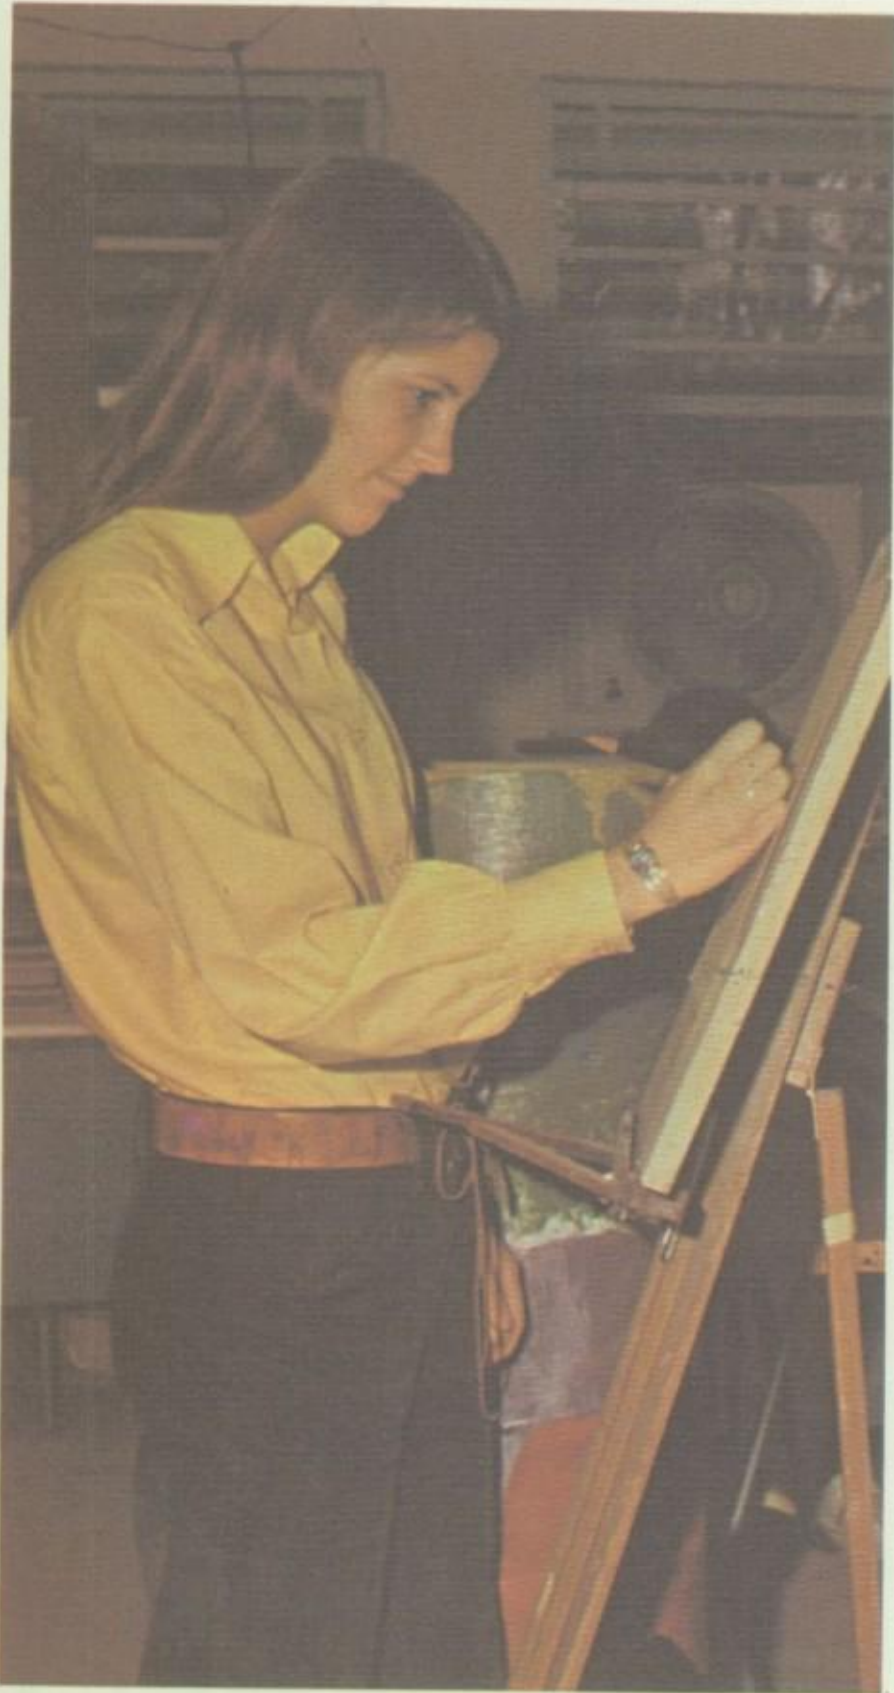

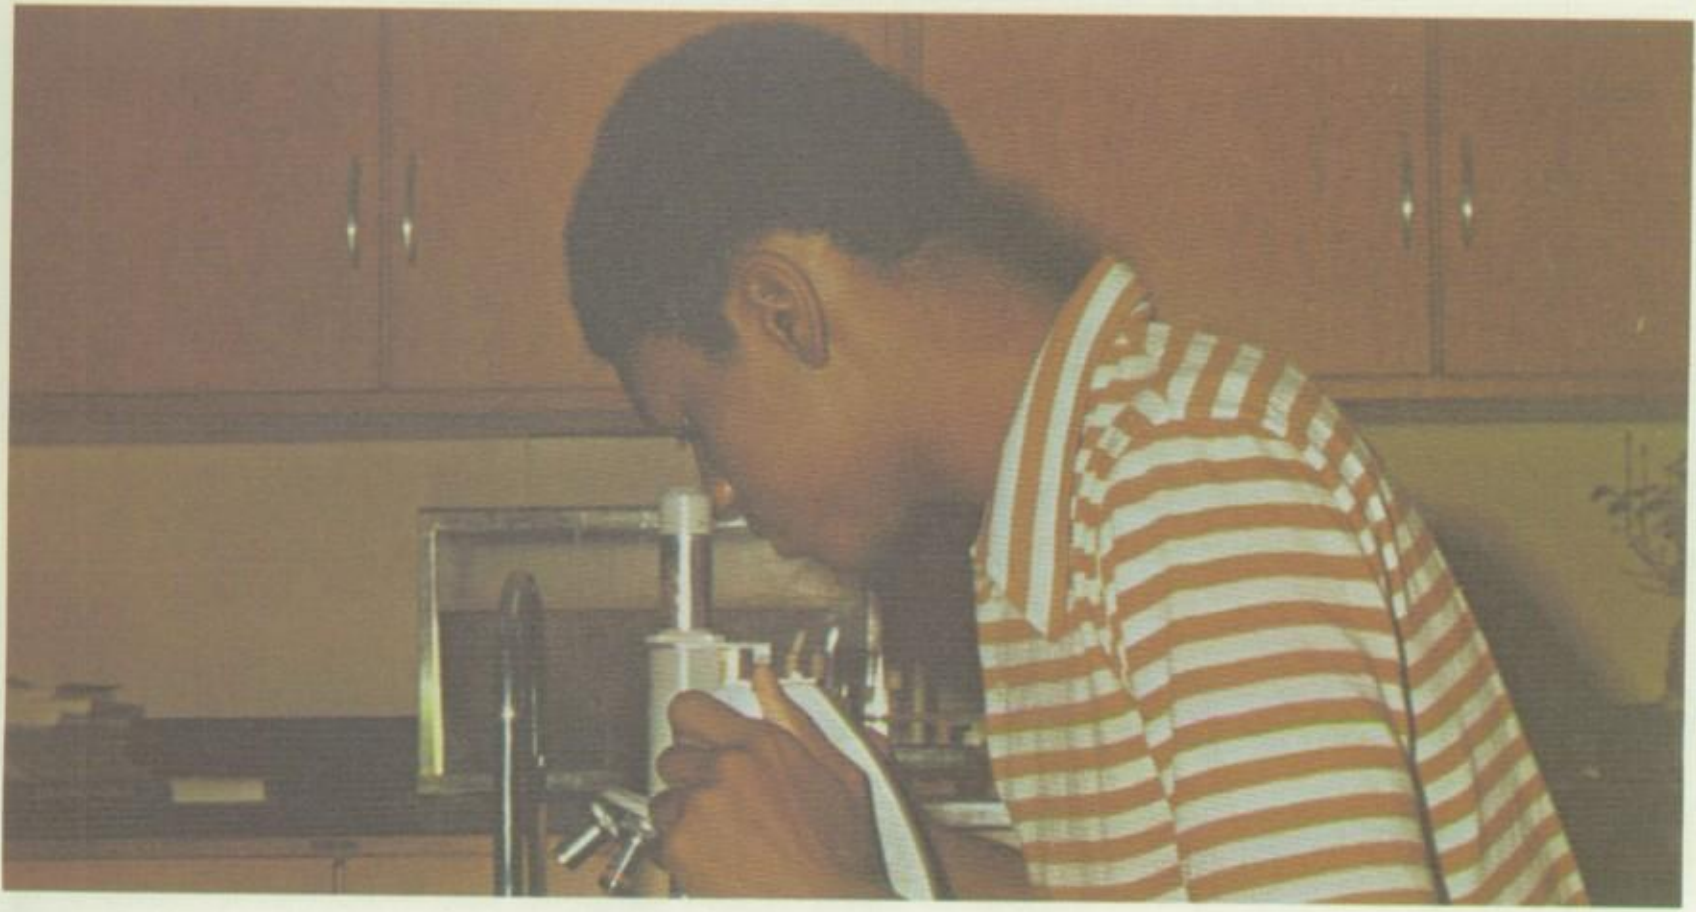

YOU ALONE DETERMINE
THE STRENGTH OF YOUR
KINSHIP WITH OTHERS. MAKE
AN EFFORT TO REACH OUT
FIRST. OFTEN YOU WILL FIND
A WAITING HAND. SHARE
YOUR THOUGHTS . . .

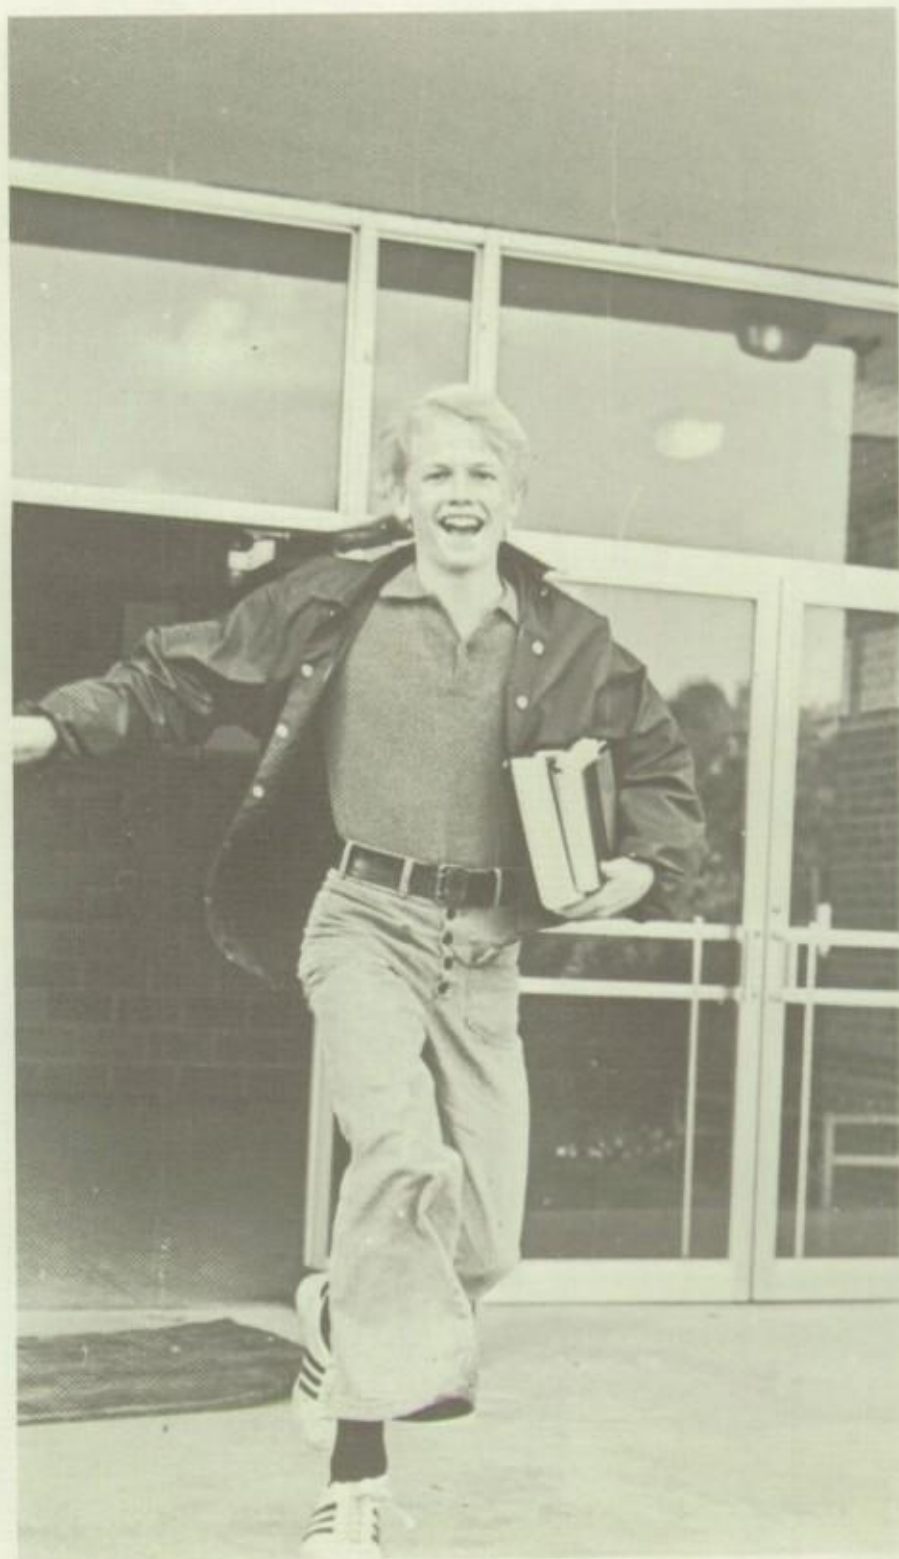

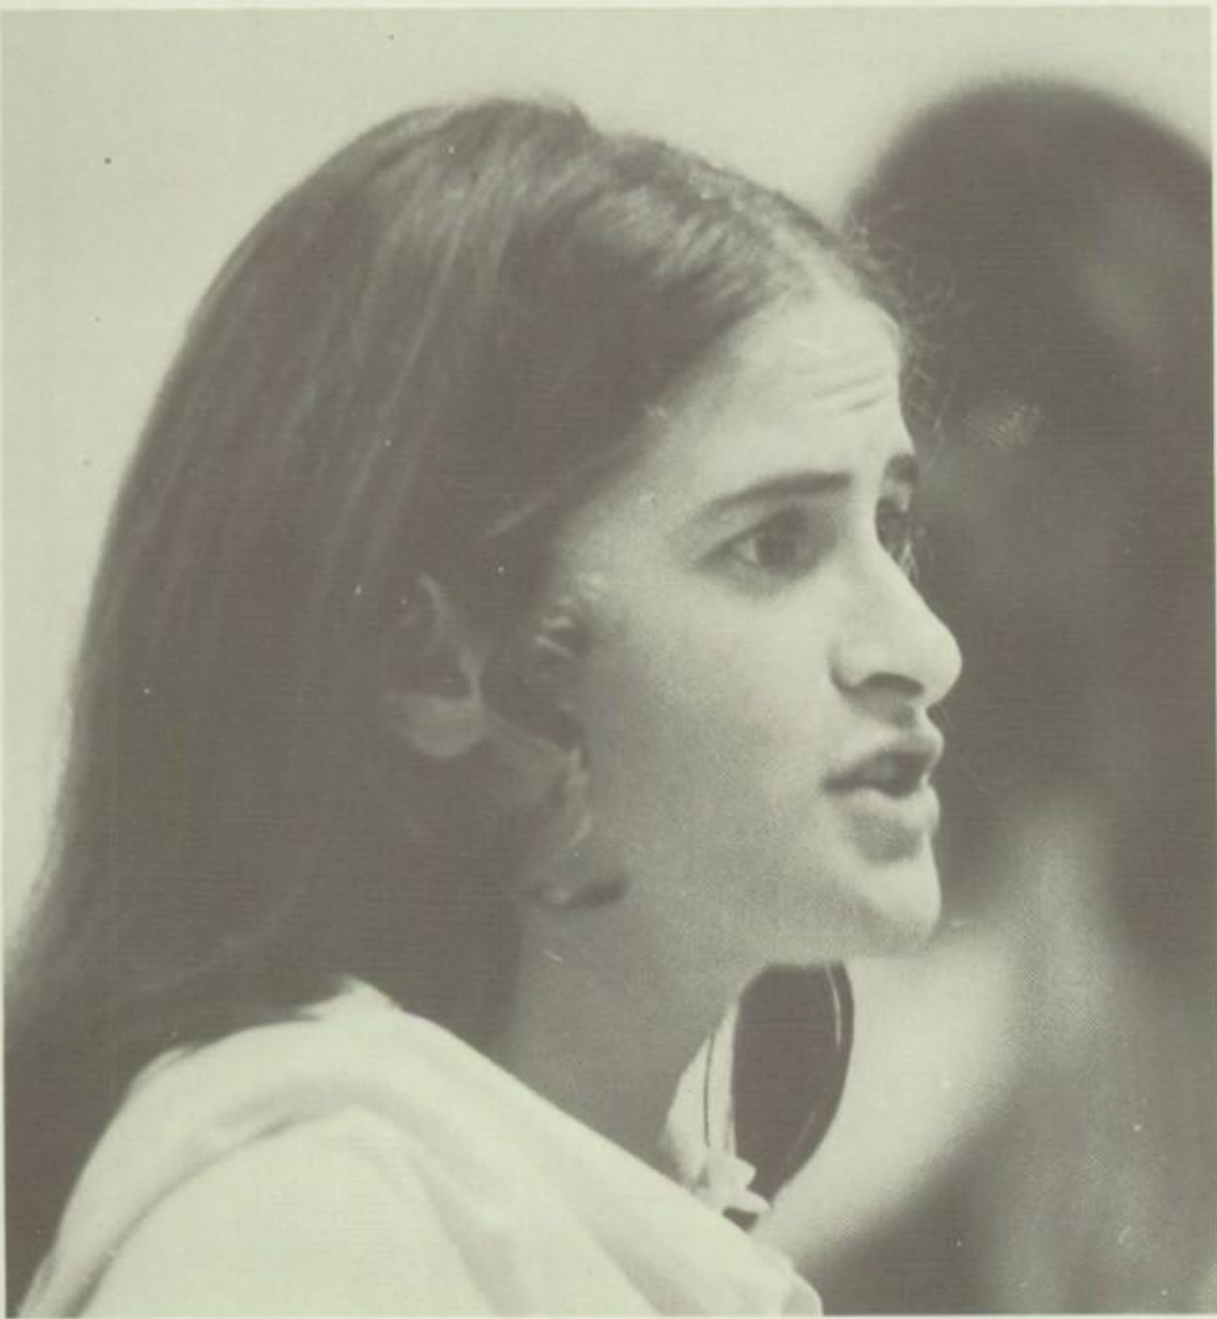

... YOUR TALENTS AND
SKILLS ...

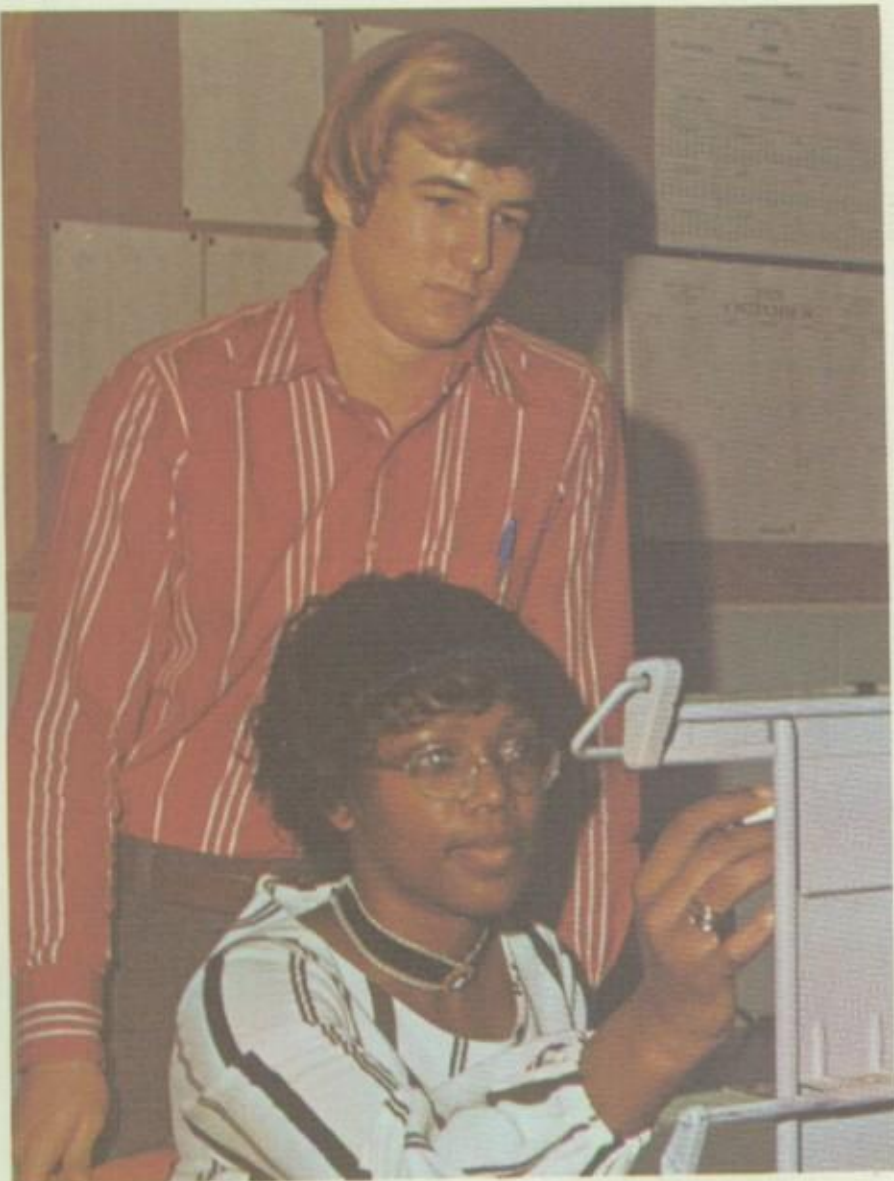

... YOUR EMOTIONS.

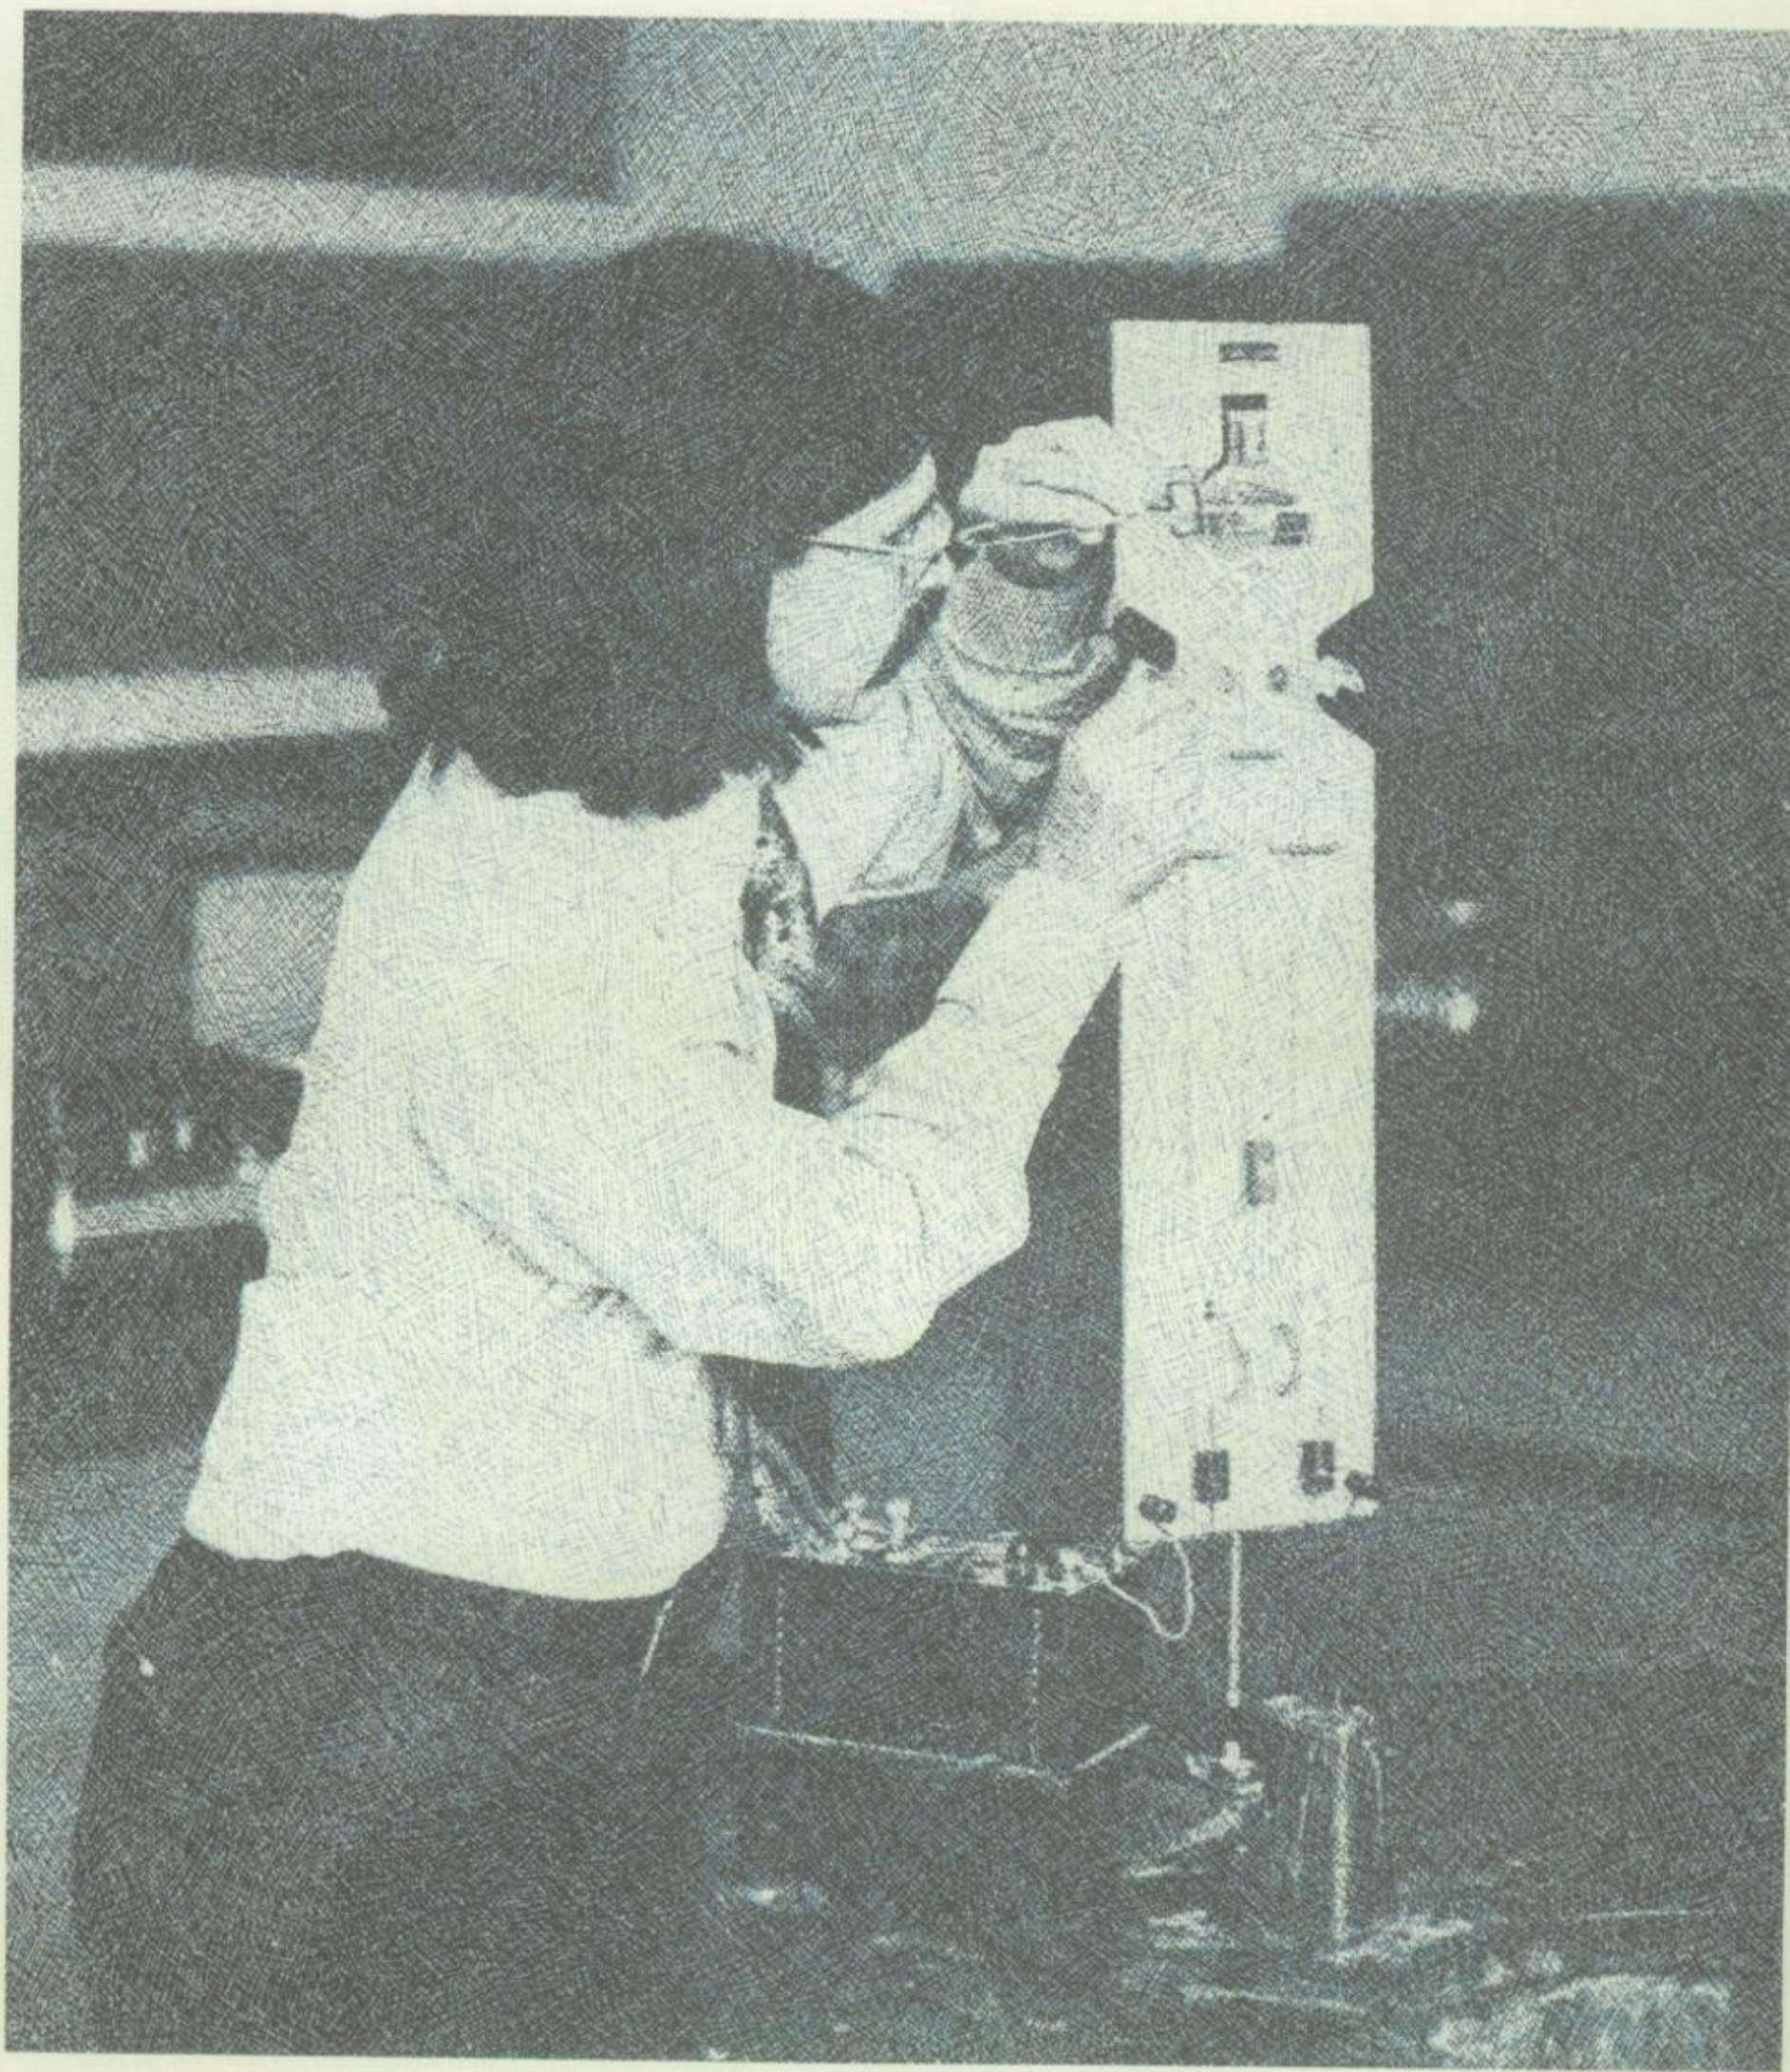

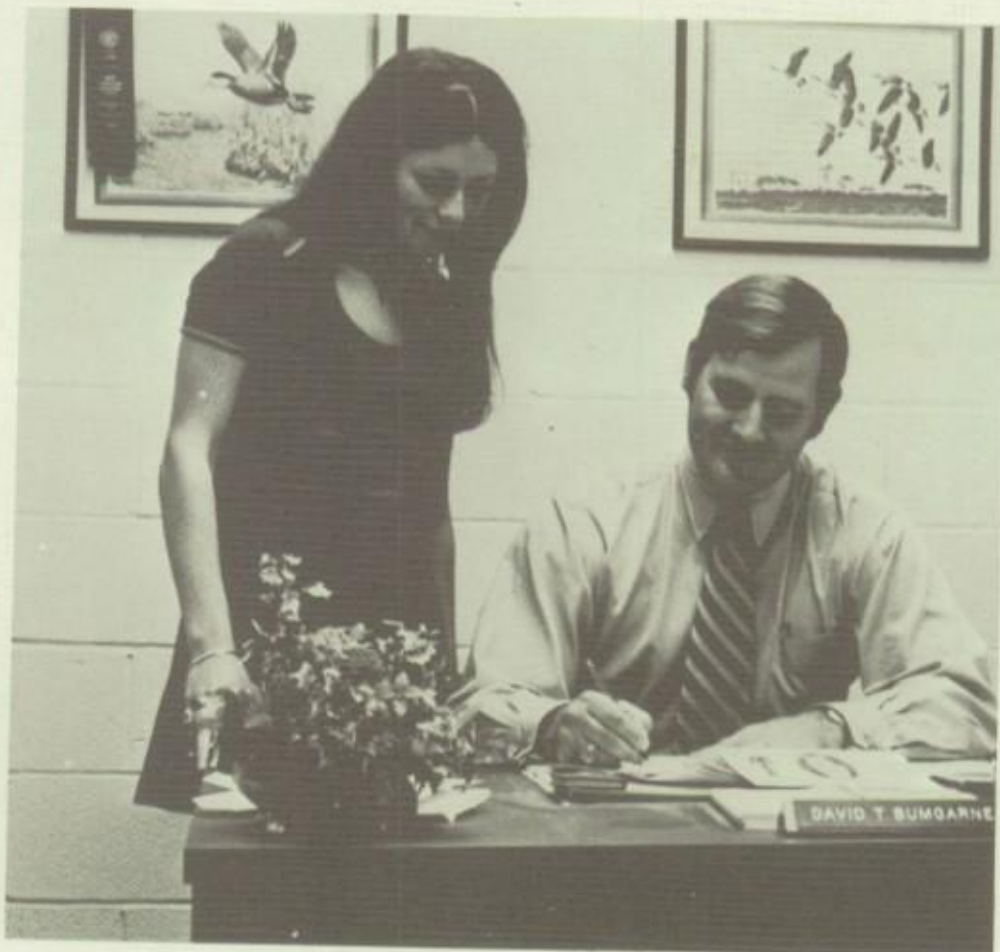

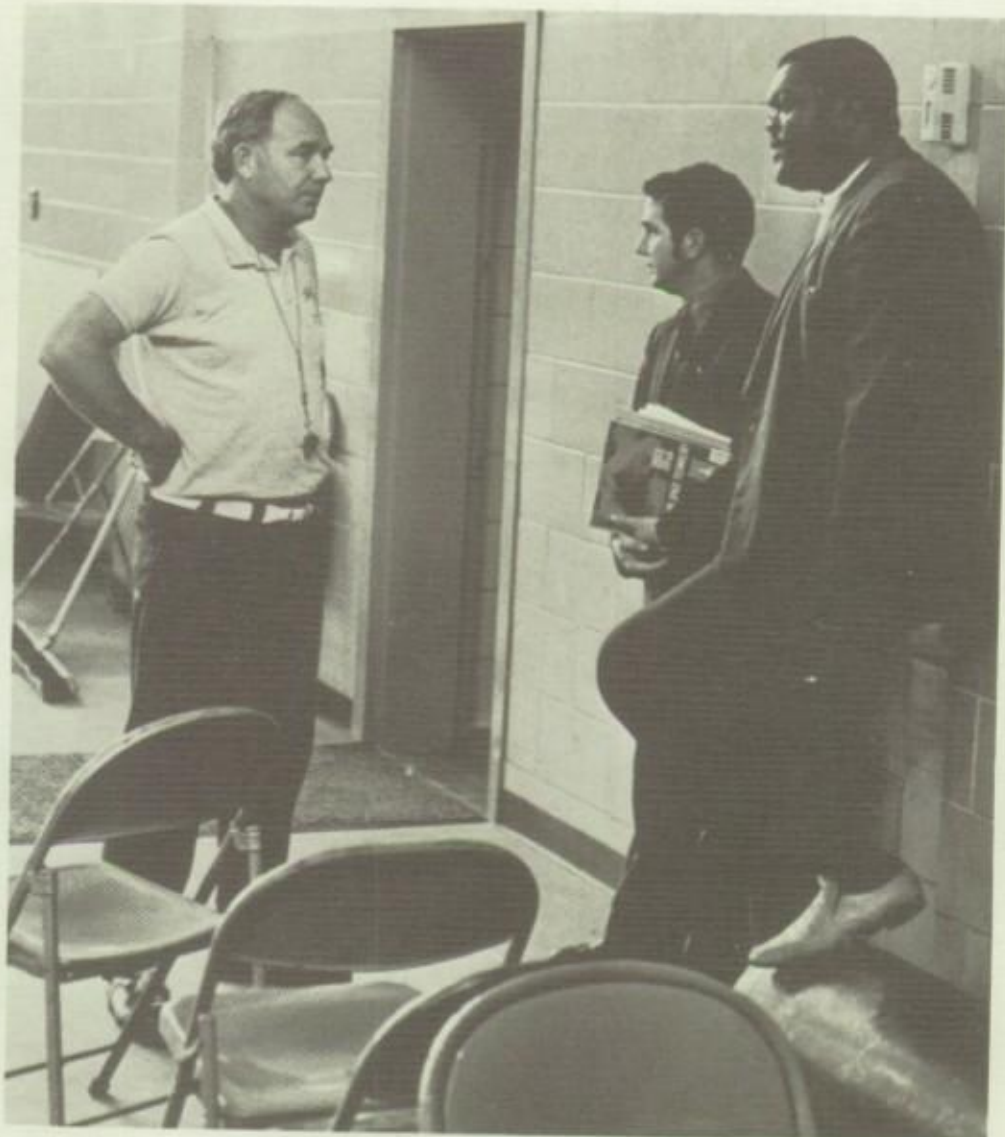

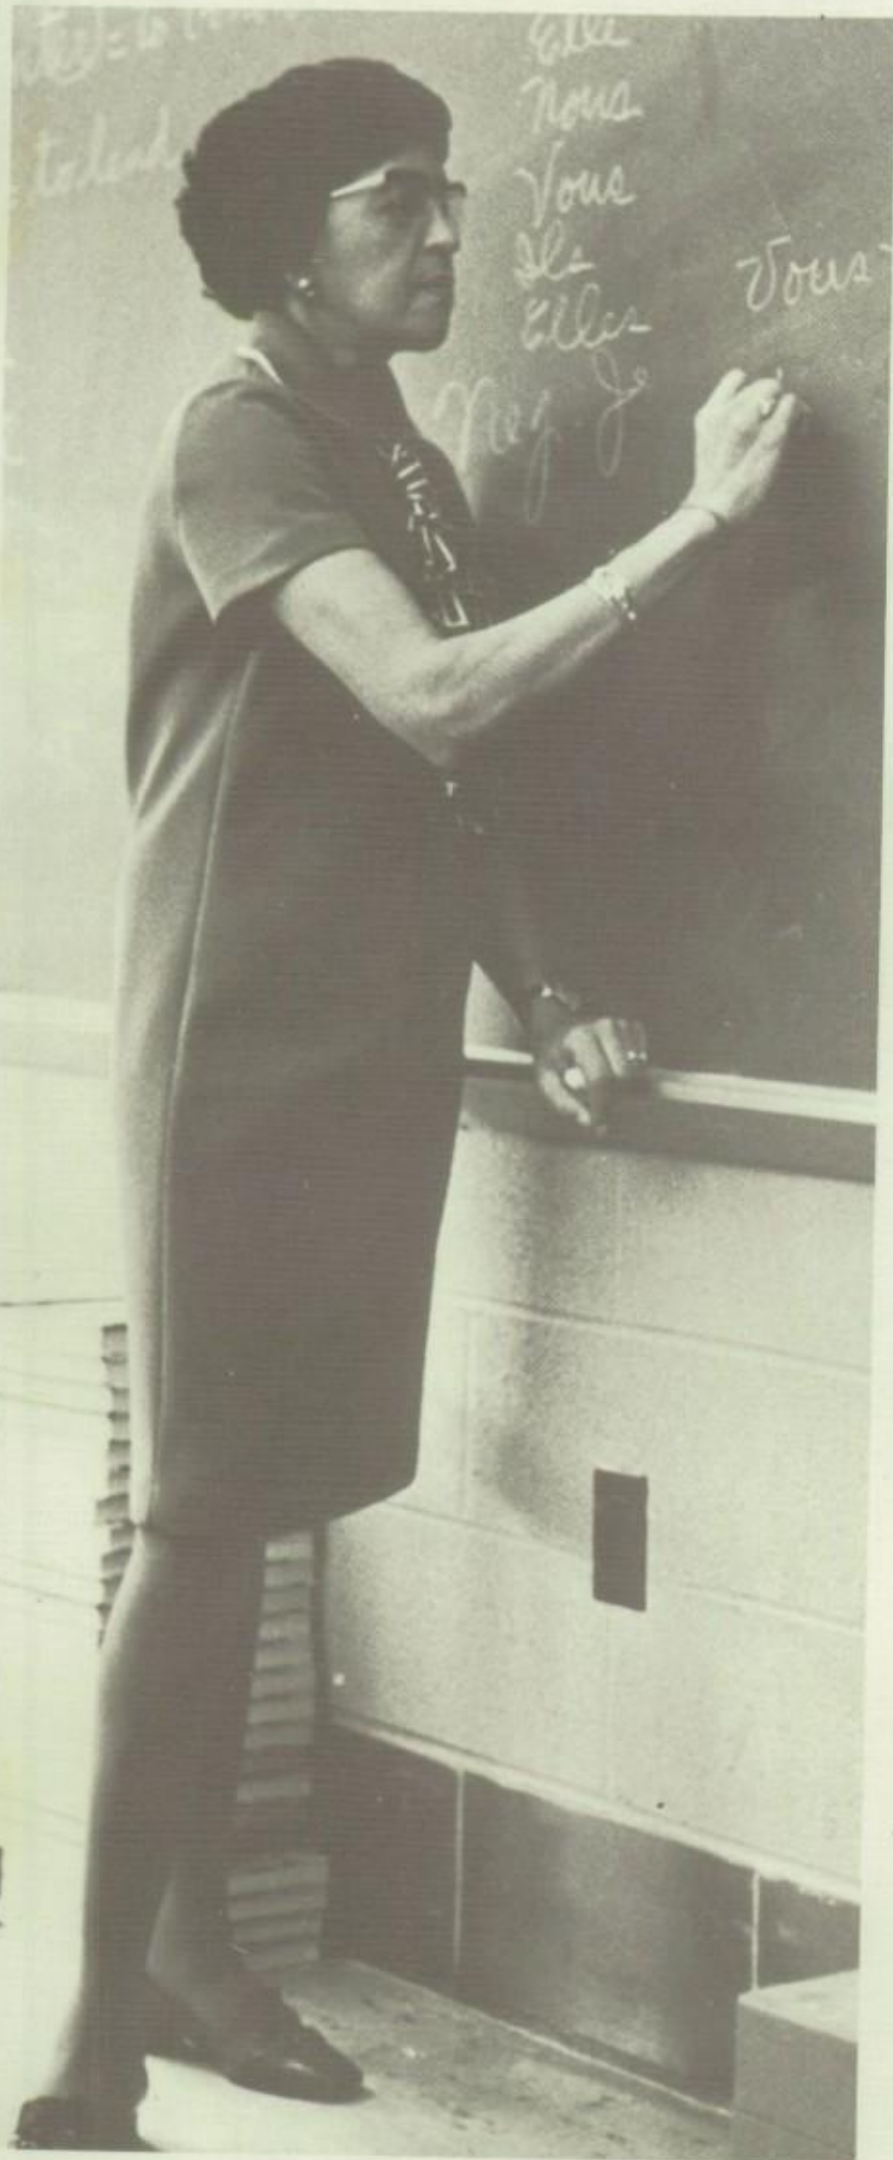

SHARE WHAT IS YOURS AND YOU
WILL FIND THAT OTHERS HAVE
MUCH TO OFFER. ONLY THROUGH
SUCH AN EXCHANGE, CAN YOU
GAIN . . . BROTHERHOOD

Group and individual counseling, providing information, keeping and updating cumulative folders and records, sending information about students to prospective schools and employers, and doing follow-up studies are all jobs of the guidance counselors at Rose. Students can take scheduling problems to the guidance counselors who provide valuable advice in course selection. The PSAT-NMSQT is administered by guidance counselors. Scholarship nominations and awards are also often handled through the guidance office.

Plans are being made to provide elective mini-courses in the near future. Speech and Drama provided skits for the school at Christmas, Thanksgiving, Junior-Senior, and other assemblies. Special attention is paid to the "Ville Lumière," Paris. Mr. Taylor and Mrs. Davenport accompanied several French scholars on a trip to Montreal in March. The top representatives of each level of French take the National French Exam each year. Spanish students study not only Spanish, but the Spanish-speaking countries all over the world. Science

Fields of science covered in the Rose High Science Department include both physical and organic. Biology I is phased for the first time this year and is required for all sophomores. Perhaps the highlight of this course is the dissection of a frog. Advanced Biology is almost completely a laboratory class. Students work with organisms ranging from simple (yeast) to complex (chickens). Chemistry classes involved more lab work this year than ever before. Sulphur fumes from the lab are convincing proof that future scientists are busy. Among other interesting programs, the Physics class heard Dr. Carl Adler speak. Physical Science and Aero-Space Science also challenged interested students.

Mathematics

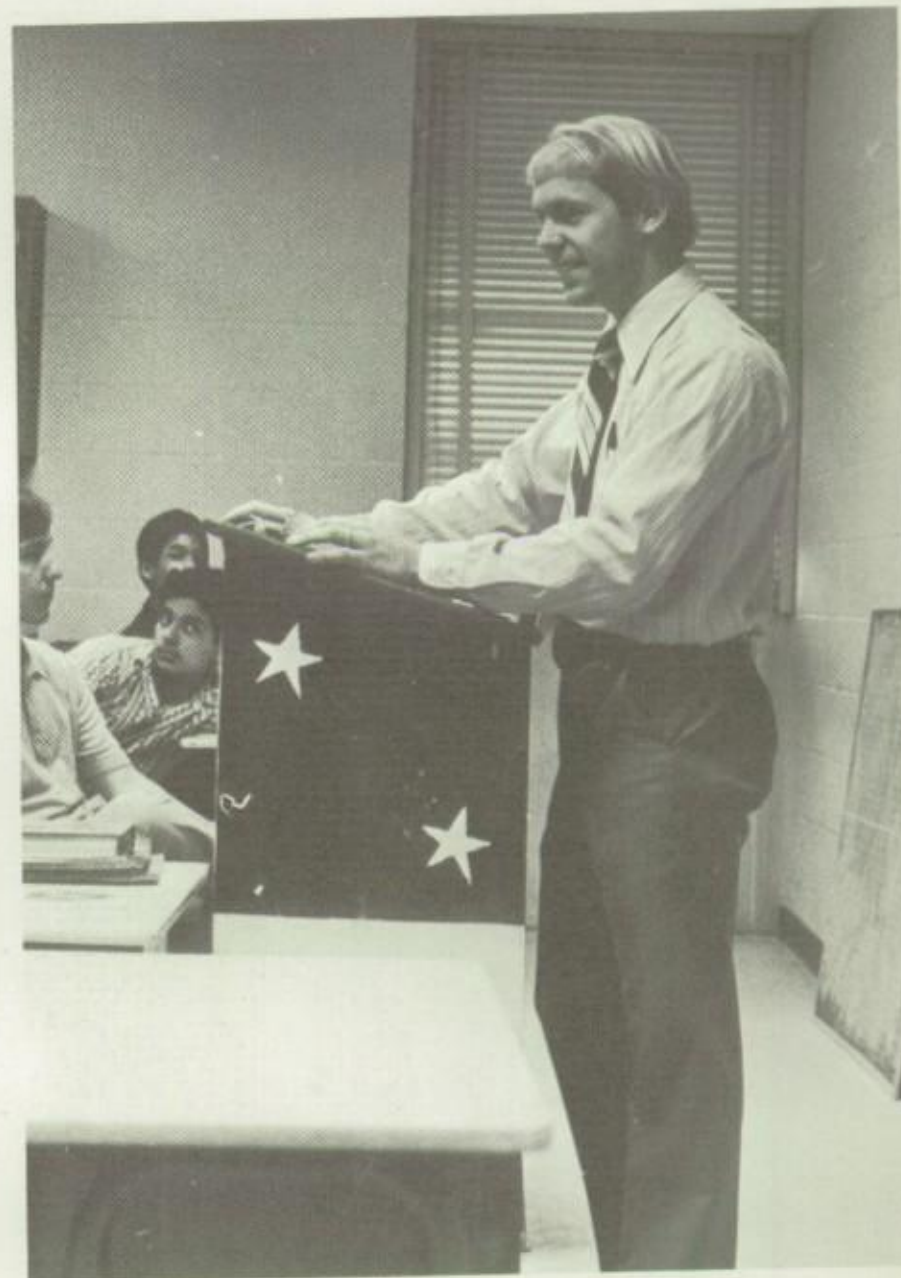

Rose High's Math Department, recognized by the National Math Board as the strongest high school Math Department in the state, offers a variety of courses designed to fit individual needs. The courses range in difficulty from General Math to Advanced Math, with Geometry and three levels of Algebra in-between. Also, Consumer Math offers students an opportunity to learn applied mathematics. Math teachers experimented with new types of teaching this year in preparation for next year when all math will be taught on levels, allowing students to progress at their own speed. Student capability in math is high at Rose, evidenced by an Advanced Math class that is one of the largest ever. Math may bring about a spirit of keen rivalry or it may bring only frustration. However, all students receive in math class the unique experience of actually being told to write on their desks.

In Home Ec., girls learn skills needed for basic homemaking. Included among these are cooking and sewing. In the spring, girls present a fashion show in which they model garments they have made. Boys, no longer branded as "sissies" for taking Home Ec., now have a whole course of it to themselves. They are taught about experiences they will find in family life. Family Living is also offered in the Home Ec. department. This course attempts to give students needed skills, insights, and understanding in family relationships.

Students are required to complete one full credit of Physical Education during high school. P.E. for boys includes track and field activities, weight training, wrestling, touch football, basketball and other sports. Girls participate in field hockey, volleyball, basketball, modern dance, archery, and other sports. Advanced P.E. is a full-year course in which attention is placed on the individual. Students gain valuable knowledge in various methods of using their leisure time in future life.

Social Studies

American History, a required course, and World Cultures are among the courses phased for the first time this year. Several courses inspire an awareness not only of the existence of other countries, but of their cultures. The Asian History Class journeyed to Norfolk to eat in a Chinese restaurant. Problems of Democracy, Government, and Advanced Government courses focus on our own nation, providing information students will have an opportunity to use immediately. Sociology and Psychology classes study people, as individuals and groups, and how and why they act the way they do. Black Studies provides an opportunity to study the heritage of blacks and their place in history.

Industrial Arts introduces students to areas of planning and design, handtool woodwork, general metal work, and household mechanics with elementary electricity. Basic skills in oral and written communication, business organizations and management, civic responsibilities, job applications and interviews, and business exploration are taught in Business Exploratory and Employment Preparation. Marketing I is designed to prepare students for a career in the field of distribution and marketing.

Fine Arts

Offered a very complete program, Rose art students have an opportunity to work in printmaking, drawing, painting, sculpturing, lettering, and other fields. Crafts deals more with applied art. Weaving, batik, jewelry-making, ceramics, wood-carving, macrame, basket-weaving and stained-glass construction are all offered in Crafts. This year, Mrs. Whitehurst and Mr. Karl have worked on developing a three-dimensional art program. Art appreciation was offered for the first time this year in an effort to expand the fine arts program.

Rose High's 71-member band meets each day sixth period. The Stage Band is also a regular class. It includes instructions in jazz styles, arranging, and improvisation. The Choruses meet each day. They perform all types of music in an attempt to learn the fundamentals of vocal music. Music Appreciation is offered, hopefully making music a more enjoyable listening experience for the students.

Study Hall

MARY HUSSEY — Study Hall Supervisor.

ELBERT PEADEN — Study Hall Supervisor.

CHURCHILL THOMAS — Study Hall Supervisor.

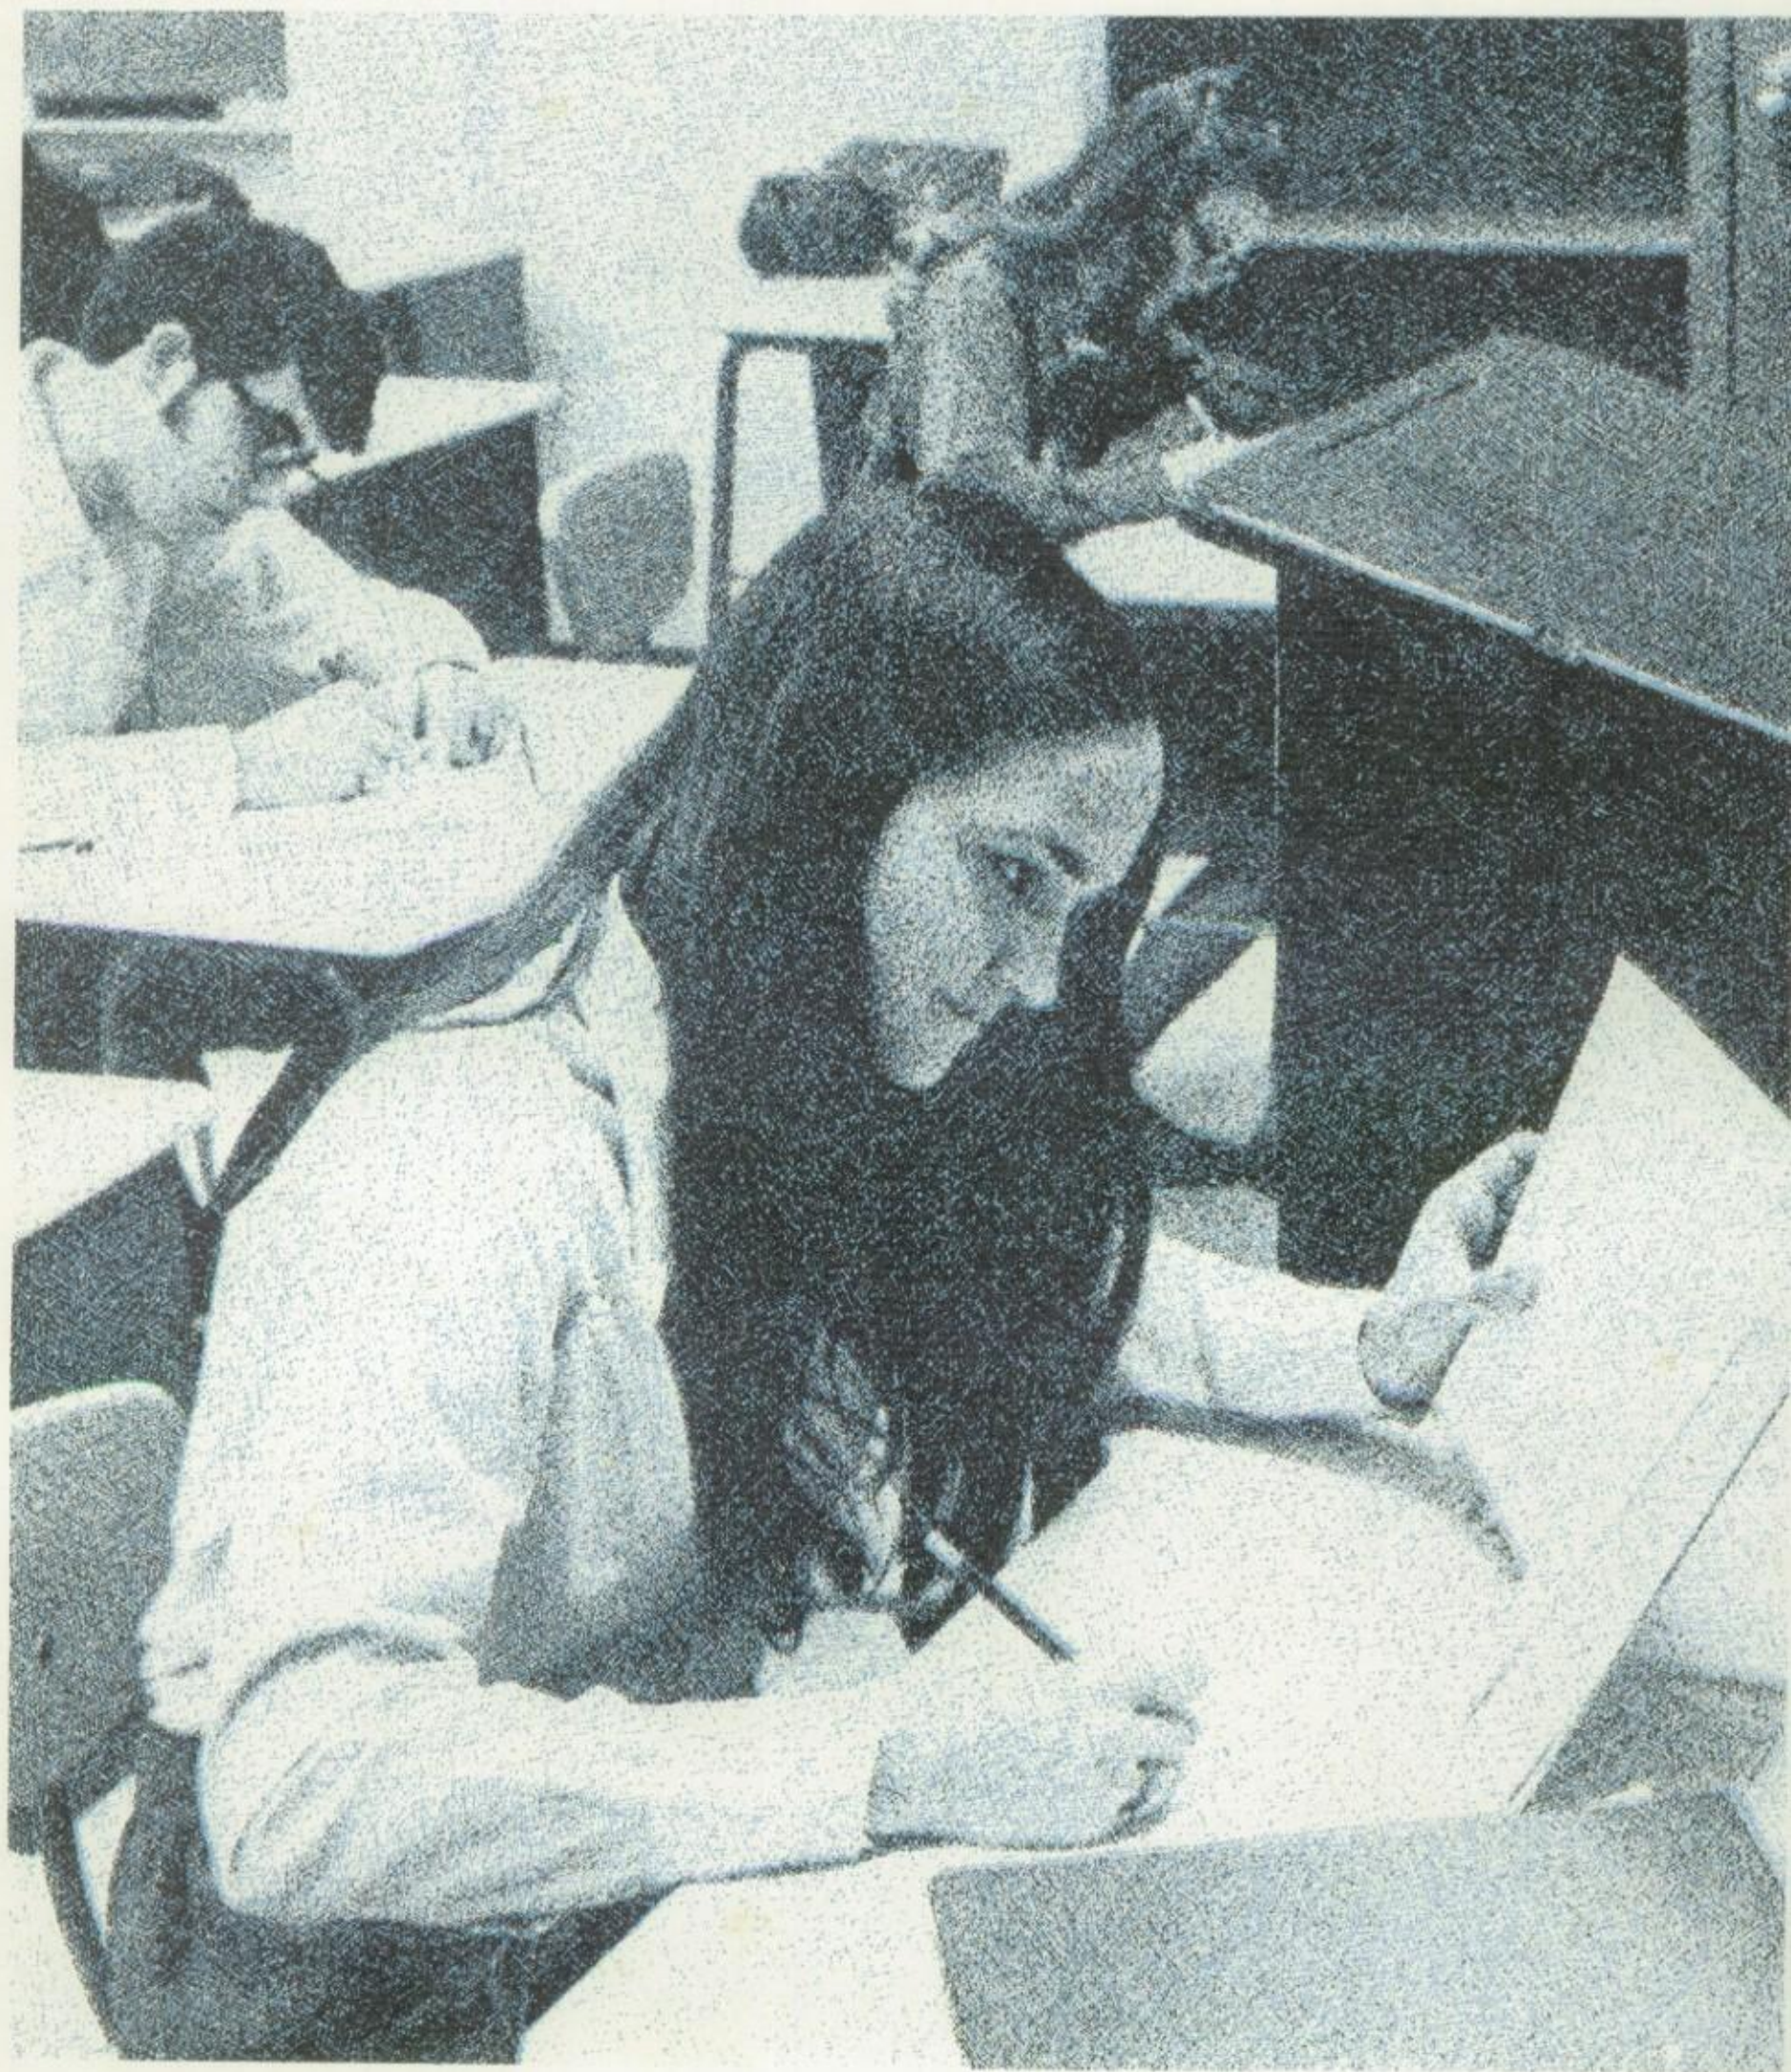

DORIS HUDSON — Office Secretary

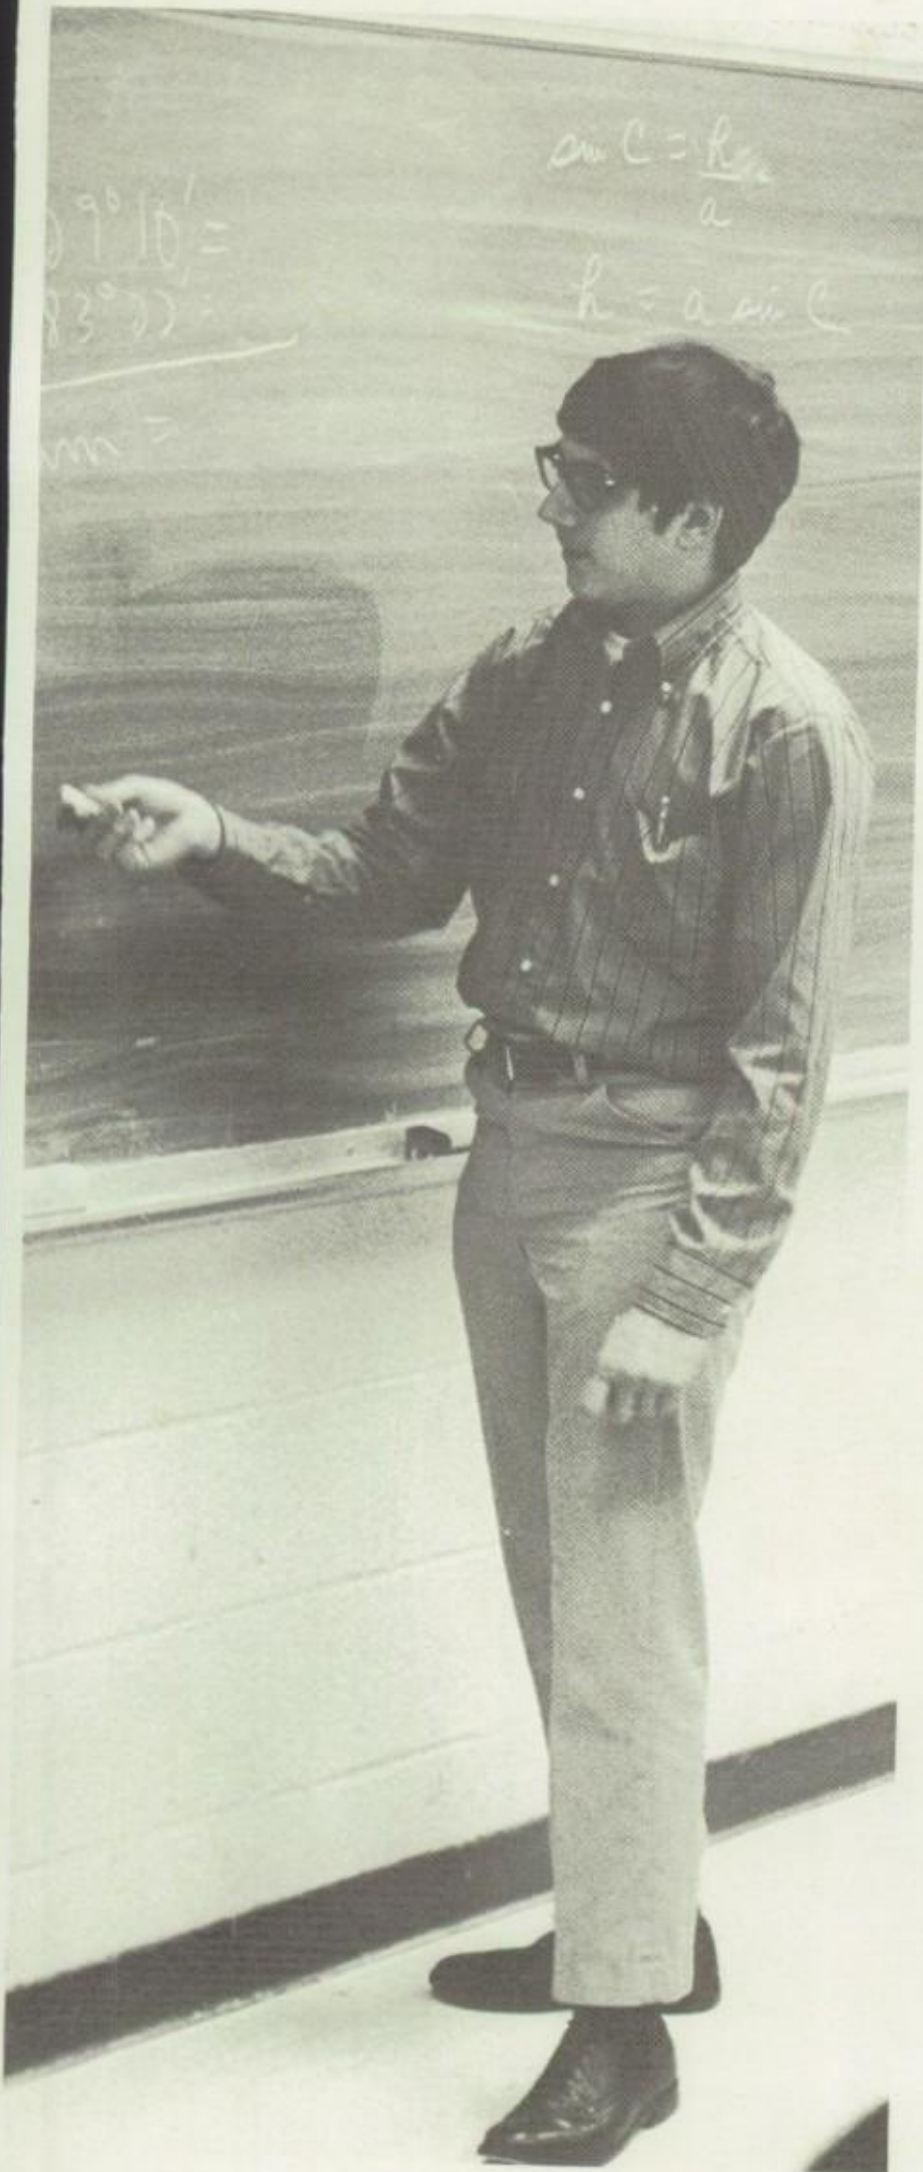

VIVIAN NICHOLS — Office Secretary.

Secretaries

Besides doing the usual indispensable duties, Rose High's secretaries tolerate all sorts of goings on in the office and still manage to keep smiling. Students, teachers, and administrators all come to the secretaries with questions and always find answers. The annual staff owes the secretaries a special "thanks" for all the times they answered our questions, lent us their homeroom lists, and let us use their phones, without once getting aggravated.

Seniors of '72

We entered as Freshmen, the last class to spend four years in high school. Then, we were followers. Now, we lead.

Our freshman year marked the end of an era in Greenville public schools. The sophomore year brought integration and with it tensions as well as friendships between blacks and whites. As Juniors, we worked with a new administration to strengthen the brotherhood among faculty and student body. Although it was a troubled year, '70-'71 brought new cooperation.

As Seniors, we have played a large part in making Rose High work. We have found that after four years our diploma means more than just an education. Rose High has provided us with an experience in living and working together. We, the Seniors of 1972, shall always be indebted to J.H. Rose High School. We shall remember . . .

Assemblies brought all the classes, faculty, and administration together. Every person, each playing a part in making Rose what it is, came together during assemblies. Together, they learned, they celebrated, they cheered, they distributed awards, and they enjoyed. School opened with an assembly and closed with an assembly. Rose began as one, shared special occasions as one, and closed as one.

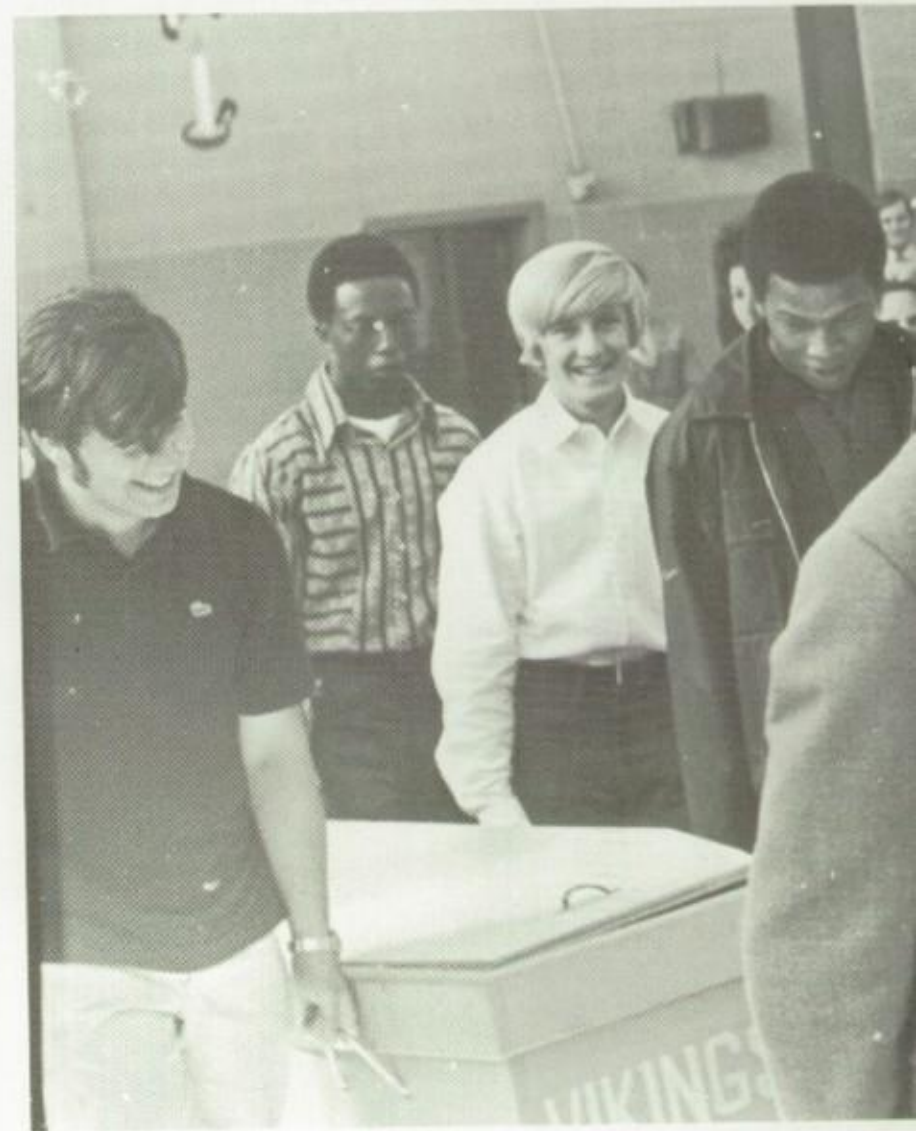

FEATURES

Homecoming Ignites Pride

With "The Land of Nursery Rhymes" as its theme, Homecoming '71 was a great success. The festivities began with the afternoon assembly. The presentation of the football sponsors, a mock funeral for the Kinston team, and the crowning of the co-queens highlighted the program. The traditional parade through downtown Greenville featured floats of "Three Blind Mice," "Mother Goose," and "The Old Lady in the Shoe." The day was complete when the Rampants rolled to a 20-6 victory over the Kinston Vikings.

Lettermen Select 1971 Football Sponsors

Introducing the 1971 sponsors, the Senior gridders escorted the girls of their choice in the annual Homecoming assembly. These select representatives participated in the parade through downtown Greenville and were presented during the half-time festivities at the game. This year's Senior lettermen were three-year letterman Johnny Conway; two-year lettermen Todd Pair, Robbie Cox, Sidney Shearin, Derek Dunn, Bob Barrett, and Steve Worthington; one-year lettermen Kim Hodges, Tim Byrd, Bill Cox, and Jim McDermott.

NHS Encourages Scholarship

The purpose of the National Honor Society is to develop citizenship and to create an enthusiasm for superior scholarship. Students who qualify scholastically are also evaluated by the faculty in the areas of leadership, character, and service. The grades committee was set up in the NHS to check grades of newly inducted members as well as to assist them if they have difficulty in academic subjects. The 1972 NHS initiated a tutoring program with the assistance of the guidance department. Senior members of this organization wear honor cords at graduation. Mrs. Naomi Dunn and Mrs. Audrey Whitehurst are advisors for this society.

NHS officers are (top to bottom) Robert Carraway, president; Mamie Maye, vice president; Lois Brown, secretary; and David Howell, treasurer.

ACTIVITIES

The band members wear their concert uniforms for special performances.

Band Performs in Concert and Parade

Traveling far and wide, the 1971-72 RHS Band marched in five separate parades, placing second in the Greenville Christmas Parade band competition. The white-shoed strutters provided half-time entertainment with precision-march formations during football season. An arousing Pep Band drummed life into the crowds at games. Dangling irresistible temptation in front of hungry souls, band members sold candy bars at school to earn money for a planned exchange concert program. The January 21 Band Banquet topped off a year of hard work with the distribution of well-earned achievement awards to the footsore and weary musicians.

Biros Sing Folk Music

Exceptional talent and enthusiasm characterized members of the 1971-72 Birodanjles. Advised by Miss Hoffler, the self-governing singing group practiced one night each week throughout the year. Climaxing hours of practice, the Birodanjles performed in the winter and spring chorus concerts and frequently entertained during student assemblies. Upon request, they also performed for various civic and church groups. Caroling in front of Harmony House South and singing for the Rotary Club were part of their activities during the year.

Choir Spreads Gospel

Open to members of any denomination, the Crusaders is a gospel-singing choir. Traveling all over eastern North Carolina, the Crusaders sing in many revivals. In February, they travelled to Greensboro to sing at a national church conference. Selling tickets to a performance by St. Augustine's Choir earned the Crusaders five hundred dollars. They used the money to buy the robes they now wear during their performances.

Susie Hill leads the Advanced Chorus in a concert number.

Choruses Perform Variety of Music

Students who enjoy music find an opportunity to sing together in the Choral program. Divided into beginning and advanced levels, the choruses work with music from various periods, baroque through contemporary. The ensemble is the most select group of advanced singers. All three choruses worked together to prepare for the traditional winter and spring concerts. The group was featured at Tarrytown Mall in Rocky Mt. during the Christmas season.

Stage Band Swings

The Stage Band of Rose High has a reputation for putting on really good shows. Known state-wide as a first-class group, the stage band was contracted to play for such groups as the ECU Education Department for their Christmas party. The band was composed of members of the concert band and included in its class special instruction in jazz styles, arranging, and improvisation. Playing on Cary Band Day, the group came away with the second-place title. All members of the stage band were chosen either by audition or special recommendation.

UCYM Boasts Ambassadors

Through mass meetings every six weeks, the UCYM encourages religious devotion with various projects such as the Easter Sunrise Service. The group's main purpose is to sponsor the community ambassadors, who are chosen from the Rose High School student body and who travel to foreign countries during the summer. These ambassadors are picked for their community interest and concern in human affairs. The students must be able to get along well with people and adjust to new environments. Ambassadors must represent the youth of our country and be able to do their part to help further international relationships. The summer of '71 found Annie Young Clark in Switzerland, the land of watches and cheese. Mickey Jones, who travelled to Holland, enjoyed clunking around in wooden shoes and missing trains. Money for this summer program is raised from various donations.

Dramatists Exercise

Members of the Masque and Cloak became mirrors during one of their acting exercises designed to develop concentration, technique, and body co-ordination. Hampered by limited facilities in their attempts to produce three one-act plays, the club planned possible spring productions. Guest speakers, improvisations, and pantomimes set the stage for the club meetings. In November, the club viewed The Little Foxes at the N. C. School of the Arts.

Chessmen Socialize

Making another brilliant move in their well-planned strategy, Chess Club members met at night in member's homes, thus avoiding payment of dues. Monday meetings lasted several hours and refreshments were served. Socializing was a close second to chess in the race for the club's main interest. Some members did not know a knight from a pawn, but efforts were made to correct this.

Newspaper Expands

Using offset press and expanding from six to eight pages, the Rampant Lines brought monthly reports of school news to Rose students. Covering all phases of school life, from Homecoming to the number of "preacher's kids," the staff strove to present the facts and to entertain Rose students. The third period journalism class began each month in a state of relaxation and moved toward frenzy as each deadline approached. Tided over by Chris O'Connell's lunch, the staff has survived with eight editions, sixty-four pages of print and pictures, to show for all their work.

Visa Overcomes All

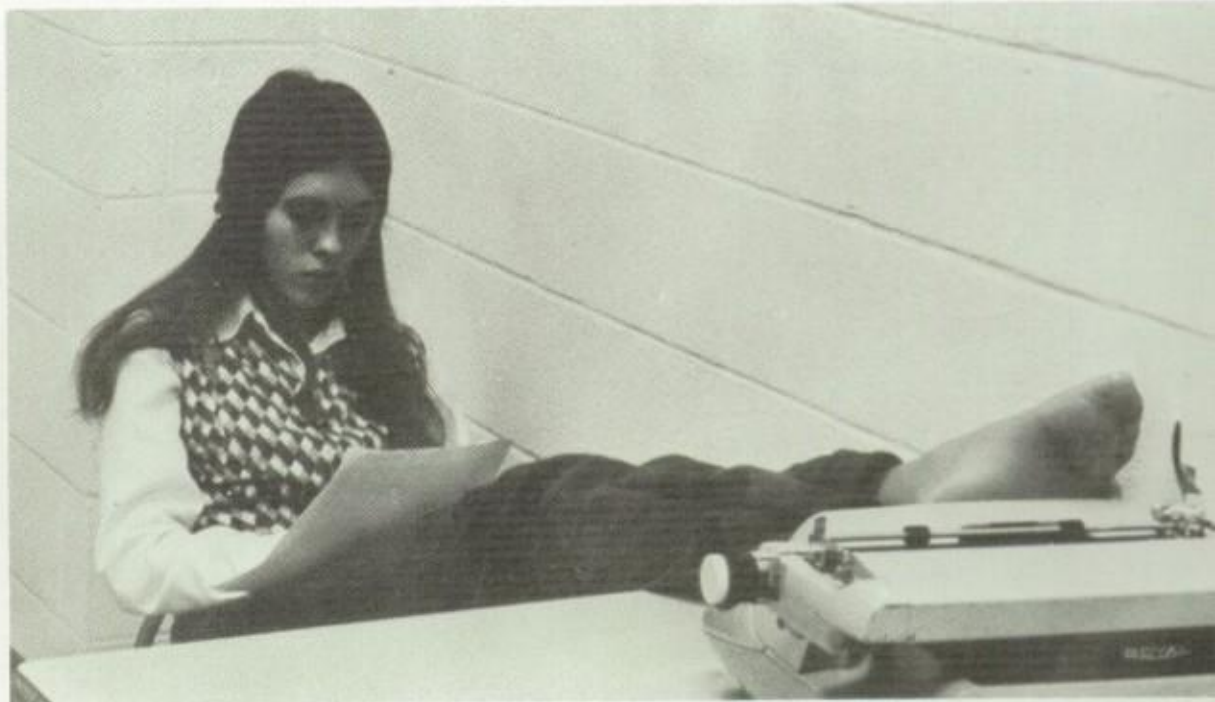

Exhaustion, headaches, and tears once again characterized the Rose High Visa staff. As deadlines approached, wailing and cursing increased to an all-time high, but no violence was reported. It was a big year for animals, especially pigs and alligators. The "in" expression was "Oh, barf!" and the wall got its usual V.I.P. treatment by being graced with pictures of maniac activities. Writing headlines and re-doing entire sections two days before mailing them ran a close race for being the favorite task the staff performed. Not to be left out was the job of writing captions which prompted the most controversy. Although almost everyone exclaimed at least once "I don't care" or "I'm gonna quit," the staff survived the many hours of after-school work. After mailing four "signatures," staffers began catching up on homework and sleep as they awaited the arrival of proofs and the finished product — Visa '72.

Smith Gains Charter

Odes to hair, fingers, toes, and even armpits were some of the outstanding contributions to the literary scene at Rose High made by the Grand Smith in its December edition. "The Smith," started last year by five smithy boys, grew into club status this year and improved the staff immensely by adding several women. Lashing out viciously at any and all censorship and advice as a part of their ritual, Smith members made weekly sacrifices to the editor of the National Lampoon. Future issues of the smithy mag will no doubt provide more food for deep ponderous thought.

Great piles of Smith stack up on the assembly line.

A Farewell to Smith

Symbol of vitality, the seasoning
which augmented and enriched,
We catch a final, fleeting glimpse
Of your majestic prowess.
Lovely Smith, wonderful Smith,
Your finest hours are passed, only memories of
You in your greatest days remain.
What memories they are!
What benefits were reaped by all
Who knew you by your name! Our hearts are
Heavy, Smith.
You cannot go, but
Leave you must,
And all with dread anticipate this truth.
Wise and all discerning Smith, we beg you
Not to leave us; can we say
Nothing to persuade you?
Are we forsaken in this darkest hour?
Were you only the fad
Of a schoolboy's world, for alas,
You wither and now you slowly fade.
Farewell, true Smith,
Farewell.

-R.T. Kear

Woods Beckon Wildlife Enthusiasts

In its second year of existence, the Wildlife Club worked to promote sportsmanship and fellowship and to increase safety habits and skills in hunting and fishing. Among the club's activities were viewing duck hunting movies, listening to a lecture by a state game warden and arranging an exhibition on reloading shells. Club members also staged skeet shoots, rifle shoots, and fishing contests. A banquet at which the club's "Sportsman of the Year" was announced was held each May.

Girls Try Medical Role

Often called candystrippers instead of Candystripers while working in the hospital, the Health Careers Club members claimed that they had done nothing to earn the erroneous title. The club's volunteer work at Pitt Memorial Hospital was a great community service which allowed girls to get a real taste of hospital work. Caps were awarded to girls who completed one hundred hours of volunteer work. Guest speakers at the meetings gave members an opportunity to decide whether or not they were truly interested in health-related careers.

Le "Cercle Francais" aims to interest French students in French language and culture. French fun and French games were enjoyed by members at the monthly meetings. Starting a new tradition this year, the club admitted only French students who received invitations to join the club. The French Circle won first place in the Homecoming parade with their "ratty" float. Occasionally, guest speakers were invited. Special night meetings involving film showings were planned throughout the year.

Girls Serve Community

Les Charmantes-Elles is the closest thing Rose High has to a sorority. To be a member, a girl must submit an application and go through "turnout week." Membership is open only a few times during the year. Les Charmantes-Elles worked to help the needy, to inspire school spirit, and to perpetuate the ideals of womanhood. Members were distinguished by the African clothes they wore to school. Projects of Les Charmantes-Elles included painting city garbage cans in gay colors and painting fire hydrants.

Students Gain Work Ability

Members of Industrial Co-operative Training encompass a wide range of skills. Among the occupations maintained by members are mechanic, nurse's aid, and dental assistant. In the actual ICT classes, students obtain practical knowledge in a variety of fields. These include first aid, personal hygiene, mental health, math, and public speaking. ICTers emphasize that their class is beneficial for college-bound students as well as for those interested in technical training. In the spring, ICT held its annual Employer-Employee Banquet where each student treated his employer to dinner. Auditions and rehearsals for 3 one-act plays presented in the spring kept ICT members busy during the months following Christmas.

Club Offers Training

The Distributive Education Club provides an informal atmosphere in which the business community can be related to the academic environment. Reading publicity spots on the radio, sponsoring the Avengers at Pitt Plaza, and washing cars were all projects of the active DECA club. Contests concerning job interviews, public speaking, and marketing marked the November 2 District and State Leadership Conference in which DECA participated. Two Rose High members were winners and competed at the State level in March. A Christmas party, a December 12 dinner for club advisor Mr. Perry, and a picnic outing in May were all in the social events list for the DECA club.

Club Aids With Spirit

Pep Club members worked this year to inject the student body with a dose of school spirit. Allowing students to miss sixth period class in order to attend a Pep Club meeting early in the year gave the club a short-lived boost. Painting banners and posters kept members busy during football season. Almost every Monday a new banner would appear magically strung across the foyer. Posters designed to bring students out to games in droves decorated the halls. Costumed members of the Pep Club marched in the Homecoming Parade. SGA Welcomes New Students

Rose High School's Student Government Association, composed of one first and one second-semester representative from each homeroom, worked this year to make some student wishes become realities. Printing the school handbook, a tedious and time-consuming job, was the SGA's first project. Magazine sales, sponsored by the SGA, came early in the year. One-fourth of the funds reaped through magazine sales went to the SGA. In an effort to make new students feel welcome, the SGA treated them to a party. This was the first such event ever held at Rose. Students were able to register to vote at school thanks to efforts of the SGA. This presented students with a valuable opportunity since many of them will be eligible to vote in the '72 presidential election. To express student body thanks, the SGA provided turkeys for the custodians and Mr. Alligood at Christmas.

Homemakers Learn Useful Skills

Membership in Future Homemakers of America provides students with further training in the many and varied fields involved in homemaking. Members planned interesting programs which provided, among other things, valuable information concerning childcare and proper nutrition. Rose students find an opportunity to make valid decisions about education careers through their membership in Future Teachers of America. The club sponsors several activities honoring teaching. Each year, members plan a tea open to all teachers, to be held during Teacher Appreciation Week. Retired teachers were caroled to during the Christmas season by the Future Teachers. Guest speakers provided enlightenment concerning education careers at the monthly meetings. The State Convention beckoned Rose FTA delegates in the spring. There, they participated in election of state officers.

Rampants Stalk Victories

With great expectations, the 1972 edition of the Greenville Rampants, along with new head coach David Bumgarner, set out to better last year's record. Despite a losing season, their performance does not begin to reflect the individual determination and team effort of the players. The high point of the season and the only home win was the defeat of Kinston 27 to 6 at Homecoming.

Rampant Cubs Build for Future

The Junior Varsity Basketball Team, under the direction of Jim Modlin, is composed of spirited, hard-working boys. The team steadily improved to close out the season with an overall record of 7 wins and 13 losses. Because of the experience the boys gained this year, they enhance the prospect for a winning Varsity Team in the future.

Cagers Face Rough Season

As Coach Meyete undertook his third year at the head of the Rose High basketball team, the Rampant team faced a rugged schedule in the 4-A Conference. Victories were limited by a high number of injuries. Lonnie Payton led Pitt County in average scoring per game. Season highs were wins against Tarboro 77-58, Farmville Central 79-53, Wilson 82-75, and 61-57, and New Bern 75-65.

Netters Gain Depth

The Boys' Tennis Team has proven itself to be stronger in serves and backhands than in previous years. Because of an abundance of veterans, the boys hoped to improve their record and leave Rose High with a winning team. The team started practicing as early as September for the first matches scheduled for March. In its second year of existence at Rose High, the Girls' Tennis Team has shown many improvements. With the return of several senior players, the team showed more experience and confidence. In addition to intramural matches, the team played official tournaments against Kinston, Goldsboro, Rocky Mount, and New Bern.

New Coaches Assist Thinclads

Aided by new coaches Bud Phillips and David Bumgarner and led by several returning lettermen, the track team hoped to improve last year's record. The Rampant cindermen were outstanding last year and placed in many team and individual events. The 880-relay team traveled to the Regional Meet and to the Junior Olympics, while Calvin Moore placed third in the broad jump in the 4-A State Championship.

Victor Diaz vaults over the high-jump bar.

Jeff Cargile practices a quick start off the starting block.

The 1972 members of the Baseball Team include FIRST ROW: Johnny Barwick, Robbie Cox, Rick Boles, Bill Lee, Derek Dunn, Jim McDermott, Randy McKinney, Stanley Cobb. SECOND ROW: Lee Cherry, Seth Jones, Windell German, Harding Sugg, Mike Reiley, Herb Wilkerson, David Clifton, Pat Clark, Fred Lemmond. Glovemen Post Winning Season

Baseball has been a traditionally strong sport at Rose and the 1971 team members set out to prove that they were no exception. Coached by Dave Bumgarner, the Rampants compiled an overall record of 11 wins and 4 losses. The 1972 Rose team, under the direction of new head coach, Dave Holton, hoped to continue this success and aimed for further improvement.

Head coach for the 1972 glovemen is David Holton.

Stanley Cobb warms up before batting.

Mike Reilly learns that one can get hurt sliding head first into second base.

He's out on first base as the Rampants retire the side.

Catcher Harding Sugg prepares to return the ball to the pitcher.

On second base, Greg Chapman awaits the pitch.

The 1971-72 Varsity Cheerleaders are FIRST ROW: Nancy Cleetwood, Val Hooper, Mary Margaret Morton, Charlene Vines. SECOND ROW: Amy Leggett, Fawn Staton, Kate Welch, Shelby Sherrod, Brenda Murray. THIRD ROW: Patti Sanders (co-head), Kathy Williams (head), Josie Rawls.

Cheerleaders

Head Cheerleader Kathy Williams portrays "Dorothy" in the Homecoming skit.

Trained to inspire school spirit, the Varsity cheerleaders led the student body in chants and cheers during school athletic events. Besides cheering at home football and basketball games, these 11 girls serve as representatives of the student body at out-of-town contests. The cheerleaders post banners in the halls and present pep rallies to encourage student support of sports activities. Selected for their poise, personality, and leadership, these girls must follow a strict code of conduct and rigorous practice schedules.

Cheerleaders show spirit at the Homecoming game.

Inspire Pep

Val Hooper declares, "If I wasn't a Rampant . . . a little girl I'd be!"

Spirited boy and girl cheerleaders pave the way for the Rampant team.

Secretary-Treasurer Josie Rawl, Head Kathy Williams, and Co-Head Patti Sanders show how to relax after a hard days' practice.

The cheerleaders perform a "sob" skit at the first football pep rally.

Senior Melinda Deyton acts as one of the Rampant mascots.

During half-time, cheerleaders from both teams exchange greetings.

The Lion, the Scarecrow, and Dorothy carry the Key to Victory given to them by the Wizard of Oz.

Cheerleaders rouse the crowd during a time out at a basketball game.

The Scarecrow receives a pair of shoulder pads.

The Varsity Cheerleaders demonstrate a cheer before the student body.

J.V. Cheerleaders Boost Team Spirit

The J.V. Cheerleaders are: FIRST ROW: Lou White, Renee Jones, Cathy Savage, SECOND ROW: Ronita Jones (co-head), Lynn Cargile (head), Betty Moseley, THIRD ROW: Kim Taylor, Patricia Williams, Lynn Laughinghouse, NOT PICTURED: Karen Smith, Jan Kleinert.

Being a cheerleader requires a lot of practice.

Chosen at the end of the 1971 school year the Junior Varsity cheerleaders began practice two weeks before school started. Besides cheering at games and pep rallies, they gave parties for the teams and made posters to boost team spirit. Composed exclusively of sophomores, the J.V.'s hope to rise to the Varsity Squad next year.

The J.V. Cheerleaders cheer for a pep rally.

Tension mounts before the game.
